Announcement . . .

This is our 32nd Semi-Annual Sale, and for this event we have consigned some 30 bulls and 25 females. The bulls are good, sturdy animals, good colors and as well-boned a lot of bulls as could be put together. Bear in mind the consignors of these bulls have been using the best sires obtainable for the past year, and consequently are producing the desirable type of cattle. Bulls like Calrossie Captain John, Oakendene Count, Max Legionaire, Uppermill Repute, Leader's Hero, Braemor President 3d, and others of this caliber have been used by members of our association. Just recently Malcolm Frank sold his 8-year-old herd sire to the University of Missouri, a very outstanding sire.

Right here I want to announce the purchase of the 1959 American Royal Grand Champion bull, W. L. Conquest, by Andes Brothers of Mound City. He follows a good bull bought in Mather's sale. Bulls such as these have made our association what it is.

The females are a good lot. All females either have calf at foot or are forward in calf, the kind that are bound to make money for the buyer. Most of the females are consigned by Roy Bashor, who has had several state sale and association sale champions. The calves at foot are sired by Imp. Chalmerston Emblem or are bred to Leveldale Arcturus, son of the \$35,000 Leveldale Basis. Both bulls come from Mathers and are good.

Plan to attend the sale.

There are four polled bulls and two polled bred heifers consigned.

The morning cattle show will not be held in connection with the sale.

General Information

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, March 28, 1960. Sale at 1:00 p.m.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

GUARANTEE—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot, and for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association; or to any of the auctioneers.
